Pension Education Session

Manitoba School Boards Association Pension Plan for
Non-Teaching Employees of Public School Boards in Manitoba

Learn more about your pension plan

You and your spouse are invited to attend an educational session on the Manitoba School Boards Association Pension Plan for Non-Teaching Employees of Public School Boards in Manitoba.

The Pension Trustees of the Manitoba School Boards Association Pension Plan are pleased to have their independent Retirement Counsellor, James Ralko, explain how the pension plan works and the various retirement vehicles.

What you will learn

- The educational session covers all major aspects of the pension plan:
 - Contributions – required and voluntary
 - Investment income
 - Benefits on death and termination
 - Income Security
 - Planning for retirement
 - Various retirement vehicles
- A short review of government pensions (CPP and OAS) and tax issues is also included.

Who Should attend

- If you are a member or spouse of a member of the pension plan
- If you are thinking of retirement (regardless of age)
- If you are wondering if you should save more for retirement
- If you want to improve your financial literacy and retirement planning
