RE: Middle Years Options Program Review – Public Consultations

The Brandon School Division is undertaking a review of the Middle Years Options Programming available to our students in Grades 7 and 8.

During the 2016-2017 school year, a consultant was hired to review our current Middle Years Options Programming. A report has been submitted to Senior Administration for review and it is now time to engage with our stakeholders to determine the direction we want for our Middle Years Options Programming.

Students in our Division are suggesting and stating that they would like to see more program options for themselves. School Leaders are also stating that they would like to see more program options being held in the schools in which students attend, rather than having students transported to other locations.

Therefore, we encourage Brandon School Division Staff to join us at the following meeting:

Monday, October 30, 2017 (7:00 pm – 9:00 pm)
Green Acres School Gymnasium, 335 Queens Avenue East

Therefore, we encourage Parents, Guardians and Students to join us at one of the two following meetings:

Wednesday, November 1, 2017 (7:00 pm – 9:00 pm)
Riverheights School Gymnasium, 32 E. Fotheringham Drive, Brandon

Thursday, November 2, 2017 (7:00 pm – 9:00 pm)
J.R. Reid School Gymnasium, 813 – 26th Street, Brandon
